The details of the purchase transactions carried out in the period indicated above are available at [www.prysmian.com](http://www.prysmian.com) (in the section: Media/Press releases).

As of August 2<sup>nd</sup>, 2024, the Company has purchased, in execution of the Programme, a total of no. 1,592,295 shares for a total consideration of Euro 94.517.176,45 and therefore, taking into account the shares already held directly and indirectly by the Company, it holds a total of no. 5,230,486 treasury shares, representing approximately 1.77% of Prysmian's share capital.

#### Prysmian

Prysmian is a global cabling solutions provider leading the energy transition and digital transformation. By leveraging its wide geographical footprint and extensive product range, its track record of technological leadership and innovation, and a strong customer base, the company is well-placed to capitalise on its leading positions and win in new, growing markets. Prysmian's business strategy perfectly matches key market drivers by developing resilient, high-performing, sustainable and innovative cable solutions in the segments of Transmission, Power Grid, Electrification and Digital Solutions. Prysmian is a public company listed on the Italian Stock Exchange, with almost 150 years of experience, about 30,000 employees, 108 plants and 26 R&D centres in over 50 countries, and sales of over €15 billion in 2023.
