

PRESS RELEASE

FRANCESCO TUTINO IS PRYSMIAN'S NEW GROUP CHIEF HR & ORGANIZATION OFFICER

Milan, 3 June 2024 – Prysmian, global cabling solutions provider leading the energy transition and digital transformation, announced today that Francesco Tutino has been appointed Group Chief HR & Organization Officer.

Tutino has over twenty years of experience in the HR area, having held leadership positions at several multinational companies. In his career, he has taken on various roles, including at DENSO and CNH, until his latest position as Chief Human Resources and IT Officer of Iveco Group.

"We believe that Francesco's expertise and competencies will significantly contribute to our Group's success, enhancing the value of our people, who are our founding pillar," stated **Massimo Battaini, Prysmian's CEO and General Manager**.

"I am pleased to join Prysmian and contribute to implementing its strategic plan. Prysmian is a leading Company that stands out for its ability to identify and value talent, offering an environment where people can grow, share ideas, and collaborate towards common goals. I am committed to contributing to the consolidation of a corporate culture that puts people front and centre, promoting inclusion and innovation, recognising merit, and considering training and development as key elements to ensuring work-life balance," stated **Francesco Tutino**.

Prysmian

Prysmian is a global cabling solutions provider leading the energy transition and digital transformation. By leveraging its wide geographical footprint and extensive product range, its track record of technological leadership and innovation, and a strong customer base, the company is well-placed to capitalise on its leading positions and win in new, growing markets. Prysmian's business strategy perfectly matches key market drivers by developing resilient, high-performing, sustainable and innovative cable solutions in the segments of Transmission, Power Grid, Electrification and Digital Solutions. Prysmian is a public company listed on the Italian Stock Exchange, with almost 150 years of experience, about 30,000 employees, 108 plants and 26 R&D centres in over 50 countries, and sales of over €15 billion in 2023.
